Mrs Effa Manley,
55 Somerset Ave;
Newark, N. J.

Dear Mrs. Manley -

We usually play clubs for 60% winner and 40% loser after thirty dollars has been paid for the park. But in this case I hope you can see my point of view. I wish you could ^{accept} ~~my~~ ^{prop} ~~portion~~. I am asking you to furnish the window cards. It will then be my responsibility to spread them within a radius of sixty five miles of Raleigh, N. C. I could go down to Rocky Mount, Wilson, Farmville, Goldsboro, Kinston, Fayetteville, Clinton, Smithfield, Clay ton, Fuquay Springs - Wakeleton, Durham, Lenoirburg, Oxford etc.

To affect this I am planning to give you 40% of the gross gate receipts. And one meal for sixteen men or your club. The park is known as "Chavis Park". The time is 3:30. The club name is "The Raleigh Grays". We have a fine price of \$0.25¢. If you can't look out for the cards I'll have to cut my order from 150 to 50. If you will go out with me on a link, I know you will make a nice sum. Of course it will be better ^{than} a Sunday date if it is built up. Send me 50 advertising passes to cover all.

Now don't forget my propositions.

(1) You furnish 150 Cards -

We will distribute 150 cards over a wide area of 65 miles each way - we will pay for park.

We will pay for meals for entire club.
We will pay you 40% Gross Gate Receipts.
We will furnish you a place to dress and a big room.

If you cant make it possible I
think it nice to make it Hooker Day.
He was so popular here in 1939-but
if he is not in Condition, please
do not do it. I'd like to thank
you for sending Waters to me. I have
a fine shortstop by the name of Chaethy.
He is major ^{league} material. He is signed up
with me for a year at \$150 monthly.
but my fans are wild about him.
By the way, I can sell him to you if
Buz Mackey or Bill White feel like he is
capable.

I cant proposition-I can play you
50-50 with all expense out.

Please write me at once,

Yours in sports-

W. A. "Pete" Wilder
